We wish to thank God for ABC. We wish to thank all of the instructors who gave so much of themselves to serve at ABC. We thank the United Church of God, *an International Association* (UCGia) for the facilities and the financial support they have provided. We thank those of the home office staff of UCGia for their service they have given to help make ABC successful this year. We thank the many Church members for their active and prayerful support for this important educational institution.
